OUR TRIP TO GRAFHAM

On the 20th October Year 6 went to Grafham!!!

We got to class, had a little chat about what we were expecting and we took off! We sat next to our friends for two hours on the coach and we finally arrived!

When we got to Grafham we put our bags in a changing room and we went to our lounge. We met our team leaders because we were all in two different groups. Group A had Nick and group B had Simon. Each group did two activities every day. Straight after lunch, we did our first activity.

After our last activity every evening we would do a fun activity. Our favourite was film night. We watched..... 'Meet The Robinsons'! On one of the nights we did the egg drop challenge! After the late activities on the 1st night we went to bed at 10:00. We had a very good and comfortable night. In the bedrooms we had groups of 2, 4 and 5. The rooms were really crammed. We had room inspections every night and if we passed we would go to the vending machine and get some sweets!

Some of the activities we did included ; archery, biking, high ropes, sailing, canoeing and much more! The week went very quick and we were very sad that we had to leave at the end of the week.

We had lots of fun!

RAINY DAY FUN

Tuesday 2nd December

The Young Entrepreneurs and Mrs Lound are having a fund raising day in order to raise money for wet playtime games to transform those wet days in school.

You are invited to come to school in non-uniform for a voluntary contribution of at least 50p. At the end of the school day we will be having a few Christmas games and stalls in the hall.

Please come and spend your money and have fun!

We raised a fantastic
£245.58
for the
Children in Need Appeal.

Many thanks.

FJS PARENTS AND PUPILS WORKING TOGETHER

It has been fantastic to see so many parents/carers and family members at the Curiosity Cafes and Working Together Cafes this half term. We know that it is a big commitment to come in to school during school hours to work with your child, but we know how immensely valuable to your child's learning your support is, both in school and at home.

So
MANY, MANY THANKS
from all at
FJS.

Everybody hurts.... sometime...

The Separating Successfully project will be coming to Fakenham Junior School on Wednesday 10th December from 9.30 until 11.30 to deliver a workshop on the effects that divorce and separation can have on children. Breaking up is never easy to do and it is sometimes very difficult to keep our emotions under control as we deal with the pain of dividing up a home or agreeing contact arrangements.

No matter how hard we try, children usually are very aware of what is going on, even if they don't understand this very grown up thing that is happening to their family. They can find it very upsetting and difficult to cope with and their reactions can be unpredictable.

Even if you have separated quite some time ago and are still feeling the pain, this workshop is just as appropriate as if you are currently going through a break up. Because this is a sensitive subject we are limiting attendance to twelve people. If you would like to join in, please do let me know and I will put your name on the list or if you think this may be for you, but you are not sure..... you can ring me at Fakenham Junior on 01328 862188 or my mobile 07949679811 or you can e-mail me on ghayes3nru@nsix.org.uk.

Why can't MUM and DAD
live together?...
