Sporting Activities

Sports Hall Athletics at the UEA

A number of children from year 5&6 had the opportunity to compete in the North Norfolk partnership event at the UEA in a number of track and field events. There was great teamwork and a super attitude from all those who went, well done!

Cross Country at North Walsham

A huge well done to all the children from Fakenham Junior School who took part in the cross country today at North Walsham. Every year group was represented and all the children put in a great performance.

Football Tournament

Some children from year 3 and 4 took part in a football tournament in Norwich. They really enjoyed the day and played some great football.
