HURRAY

the CENTENARY RAILINGS are FINISHED!

As you will have all noticed the CENTENARY RAILINGS are finally finished and the gates now in use. We think that they are stunning, and as well as showing the history of the school they also make FJS a more welcoming place.

To celebrate achieving such a fantastic piece of public art which celebrates not just the school's centenary but also the pupils of FJS through those years, but also to thank those who helped to make it possible, we will be holding a short Opening Ceremony on

TUESDAY 9TH JUNE at 2.45pm

The Ceremony will be held at the front of the school and everyone is welcome to come and watch it from the pavement outside school.

***Give Ofsted your view
on your child's school***

Why should YOU fill in PARENT VIEW.

To all parents/carers of FJS,

My name is Tim Allen, one of your parent governors and I am writing this to you all today begging you to take ten minutes of your time to hop online and fill in the parent view questionnaire. There is a link on the school website to take you straight there or just Google it, enter our school name and your E-mail address and off you go!!

Why should I? Well, the school takes your views very seriously, as I can assure you do the governors; not to mention the small matter of Ofsted having a look before they roll through our door any time soon?? But they are not my concern, for today at least. What does concern me and the school is parents feeling their voice is not heard or worse still listened to. Do not for a second think it won't do any good, or that one opinion will not change anything because each one builds a picture; if enough of you complete it, it can not be argued with as a fact of broad opinion.

We are looking for as many of you as possible to do this over half term, including all you year 6 parents that may be thinking "we are off to high school" you have been here the longest and should have the deepest insight of what could improve or be applauded. Year 3 parents how have you found us since September.....TELL US!

No school is perfect but that does not mean we must not strive for it. It's YOUR school too, help us to make it better for your children and for those coming up into year 3 in September.

Thank you for your time. Please don't leave it to someone else, I do mean YOU!!
